

## Technical Bulletin

**TTA100189**

### TekTips to Assist the Installer with Trouble-Free Installations

A100189 is a dual disc cover with a 10" x 1 11/16-26T 4-Pad PTO disc mounted within. The cover is adapted to operate with either an 11" or a 12" traction disc depending on the need of the application for John Deere 3010 and 3020 models. This cover is a heavy-duty PTO option to Heartland Clutch part number R41410 which has a woven PTO disc. No additional adjustments are needed other than the normal clutch pedal adjustments made during a new clutch installation. This cover is set to specs on a new flywheel at our factory.

A100189 Cover

**Includes** A100176 PTO Disc
