TekTips to Assist the Installer with Trouble-Free Installations

Heartland ClutchPak A100192 consists of a 280mm Dual Safety PTO cover, loose PTO disc, bearing to fit traction clutch release sleeve, bearing to fit PTO clutch engagement sleeve, and pilot bearing. This ClutchPak is designed to fit John Deere® applications using a 20mm recessed flywheel with a locator lip machined at 325mm to accept the machined cover. The cover has a Dampened 4-Pad Trans Disc mounted within. This is a Standard Duty Kit.

For additional application information please contact the Sales Department at **800-383-9204** or **sales@naclutch.com** For clarifications, or general technical assistance related or unrelated to this bulletin, please contact the Sales or Service Department at 1-800-383-9204. NACD-Heartland Clutch is always ready to assist you.
