

## Technical Bulletin

**TTA100921**

### TekTips to Assist the Installer with Trouble-Free Installations

Heartland part A100921 is a complete ClutchPak consisting of 280mm Dual Safety PTO Cover with mounted dampened 6 pad transmission disc, 4 Pad PTO Disc, mounting bolts, PTO release bearing, transmission release bearing and pilot bearing. The cover in this Pak is a new design six mounting bolt cover with a 327mm OD Pilot and 0,5mm flywheel step. Six new mounting bolts are packaged with this Pak. Care must be given to avoid handling the cover by its release levers as doing so may cause the lever linkage within the cover to become dislodged thereby causing the cover to fail.

For additional application information please contact the Sales Department at **800-383-9204** or **sales@naclutch.com** For clarifications, or general technical assistance related or unrelated to this bulletin, please contact the Sales or Service Department at 1-800-383-9204. NACD-Heartland Clutch is always ready to assist you.
